Actualize personal growth and career aspirations

Personal growth

Our structured training programme ensures best in class education for student investment enthusiasts and imparts industry grade skills to members.

NUS Invest provides the key platform for you to achieve your personal and professional ambitions.

Career development

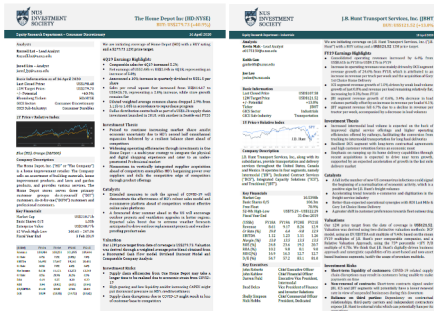

Our society provides opportunities for members to gain unparalleled access to industry professionals and develop their career skills.

Build your resume

Discover and achieve your career aspirations

Take away a portfolio of research publications

Plan and execute large-scale events

Recognition of your research publications

Our departments publish industry grade research on their respective asset classes every semester via our very own NUS Investment Society website.

Work in collaboration with renowned institutions

Play a pivotal role in organizing and executing our flagship events held in conjunction with renowned institutions such as the annual NUS-SGX Stock Pitch Challenge and Temasek-NUS Stock Pitch Competition.

Leverage your work to score internships

Utilize your research materials during your applications to various internships and mentorship programs as evidence of your genuine interest and competence in the field.

Spearhead key initiatives promoting financial literacy

Plan, coordinate, and oversee the successful execution of various university-wide events such as Invest Fiesta and our 101 Investment Workshop series organized by the society to promote financial literacy amongst students.

Broaden your perspective through sharing sessions and exclusive mentorships

Build your resume

Discover and achieve your career aspirations

Attend networking and sharing sessions

Plan and execute large-scale events

Sharing sessions by industry professionals

Get a glimpse of what life is like in the industry through exclusive talks organized for society members throughout the academic year.

Attend exclusive "Fireside" chat sessions and events

Gain exclusive invites as a society member to various networking sessions held in conjunction with other varsity investment societies such as SMU SMIF and Nanyang Capital.

NUS Invest Mentorship Program

Be mentored exclusively by various society alumni in established companies across Asset Management, Hedge Fund and Equity Research by applying for our mentorship program.

External mentorship programs

Gain access to external mentorship programs with exclusive perks for NUS Investment Society members. Some of our past mentorship partners include Star Magnolia Capital and SIAS.
